

Casalmaggiore, July 13rd 2020

FIA Formula 3 Regional Championships, Technical Bulletin no. 003/20

OBJECT: 2020 Engine update, end of recall campaign

We inform Teams that starting from July, the 15th we consider as closed the recall campaign for the engine update for 2020 Championships.

Teams that will need a full engine update after July, the 16th included, have to order it at Autotecnica Motori as follow:

Cod.: SR000058

Description: engine update, FR3 2020

Cod: SR000060

Description: engine update, FR3 2020, wiring loom and sensor update

Total cost: 2200,00€/engine

The cost here above for the engine update includes:

- Engine loom and sensors update
- Oil pressure sensor re-positioning
- Engine seals update
- Engine dyno test

In case Teams need to update only spare engine looms*, they have to order it at Autotecnica Motori as follow:

Cod: SR000060

Description: engine update, FR3 2020, wiring loom and sensor update

Total cost: 1180,00€/engine loom

*Please note that all the sensors of the list from technical bulletin 014-19 have to be sent to ATM.
In case of some sensors missing ATM will replace it with new parts in charge to Teams.
