STEWARDS DECISION N. 1

Document N° 2.2

Having received a written report from the FIA Technical Delegate saying that car no. 15 was found with 2 kg under the minimum weight with drivers on board in the Parce Ferme after Qualifying Stage.

Facts: The competitor's car was weighted 3 time with the drivers inside the car. The measured weight was 1388 kg. The weight of the car without drivers is 1248 kg.

Offence: Breach Appendix J, Article 261, 201-4

Decision: 1. **Time penalty of 5 seconds** to be added to the driven time in the Qualifying stage.
2. to add weight to the car in order that it will comply with Art. 261 of Appendix J during the event.

Reason: The driver admitted that the weight of the car measured by Scrutineers are correct, the team itself checked the weight before and it was ok maybe the scale was not correctly calibrated.

Art. 261 of Appendix J states clearly that the weight of the car including the drivers must be 1390 kg. The weight of the car without driver is within the minimum required weight.

The stewards concluded, that a time penalty for the Qualifying Stage is necessary but also enough. The decision is based on ISC Article 12.3.1.g

The Competitor is reminded of his right to appeal which is stipulated in the 2019 FIA International Sporting Code and in the 2019 FIA Judicial and Disciplinary Rules.
